## From the Sergeant – Danielle Bristow

Welcome to the final newsletter of 2020, and what an extraordinary year it has been. Thanks to you, our community, for your support throughout the last 12 months. We are proud to say that we never stopped serving our community, despite the pandemic.

Recognition needs to be given to our volunteers and Special Constables who have assisted us in this despite the risks around Covid-19. There have been highs and lows this year, but overall the sense of community has shone through.

I have been incredibly proud of the team who have persevered in times of uncertainty and fear, many of whom have young families or vulnerable relatives but have remained focussed and professional throughout.

With the need in the last few days to increase Covid -19 restrictions I realise this Christmas is going to be much different to what each of us normally expect. With that in mind I wish you all a healthy and Happy Christmas and New Year as much as is possible.

**Best wishes Sgt Danielle Bristow**

Wedding receptions not permitted.	<b>ENTERTAINMENT</b>  Indoor venues closed.	<b>PLACES OF WORSHIP</b>  Open, but cannot interact with anyone outside household or support bubble.
<b>TRAVELLING</b>  Avoid travelling outside your area, other than where necessary such as for work or education. Further exemptions apply. Reduce the number of journeys where possible. Plan ahead and avoid busy times and routes on public transport. Avoid car sharing with those outside of your household or support bubble.	<b>EXERCISE</b>  Classes and organised adult sport can take place outdoors, but people should avoid higher-risk contact activity. Group exercise activities and sports indoors should not take place, unless with your household or bubble. Organised activities for elite athletes, under-18s and disabled people can continue.	<b>RESIDENTIAL CARE</b>  COVID-secure arrangements such as substantial screens, visiting pods, and window visits. People that live in a Tier 3 area, may see a maximum of two other households (your 'Christmas bubble') on Christmas Day (25 December). **However, you cannot see anyone from a Tier 4 area.**

You should think **very carefully** about the **risks** and only form a Christmas bubble if you feel you absolutely need to.

Wherever possible, discuss alternatives to meeting up in person.

Warwickshire is currently Tier 3 but please keep informed by listening to the news

### Fatal 4

- Speeding,
- Mobile phone use,
- Drink / drug driving, and
- Non-wearing of seatbelts

Drink driving is still one of the biggest killers on our roads. One in seven road deaths result from drink drive crashes where the driver was over the limit.

Speed limits are imposed for a reason - safety. They are also the law.

Around **18%** of people killed in road crashes have traces of illegal drugs in their blood, with cannabis being the most common.

Reaction times for drivers using a mobile phone are **50%** slower than normal driving

You're **TWICE**  
as likely to die in a crash if you don't wear a seatbelt.
