From the Sergeant – Danielle Bristow

I hope you all had a healthy and happy Christmas and New Year. There is definitely a strong theme of concerns when speaking to the residents in the Warwick District and parking around schools is always at the forefront of people's concerns. Inconsiderate parking when delivering your children at school can have numerous implications but mainly it can cause a risk to the safety of the children.

This is a really emotive and passionate subject for a lot of people and this month I have been in talks with colleagues at Warwick County Council and local councillors as to how we can all work together to tackle this issue and improve the situation.

There are some good ideas in the pipeline which we look to implement in the coming months – specifically when the schools return and I am positive and hopeful will improve the situation for all involved. When it comes to parking, not just around schools, please be considerate and mindful of how your actions could impact on others. We continue through another lockdown and this time around it certainly feels harder, probably due to the absence of the glorious sunshine which we were fortunate to have in the earlier lockdowns.

Be kind to yourselves and look out for others who may be struggling. The team continue to patrol their respective areas and are juggling home schooling like many of you, if you see them please say hello – we feel incredibly lucky to be able to continue to come in to work and serve our communities and are always happy to stop for a chat and discuss any concerns that you may have. Stay safe and best wishes.

Your Beat Managers are **PC Anna Brown & PC Steve Jones** who are responsible to me for ensuring the Policing Priorities are delivered and that the Safer Neighbourhood Team is fully engaged with the community it polices. Please drop us a line by email or call us by telephone and leave a message and the team will get back to you concerning any issues you may have. See page 3 for all the details on how you can contact your SNT.

Out and about with Kenilworth SNT

We hope you had a safe Christmas and new year.

SNT have continued to be visible throughout December and January and support the community in these strange and difficult times. We once again find ourselves in lockdown, however the spirits of all of the residents continues remain positive.

We have been made aware of suspicious vehicles that have been seen around the town. One to note was a van that had approached someone attempting to sell tools. This was reported to us immediately and we were able to identify the vehicle involved. If you notice any suspicious vehicles, please call it in on 101 so we are able.

Back in December, SNT also hosted a Bike Marking event courtesy of Bike Register.

It was really nice to be able to do a community event and see lots of you and help offer this free service. Bike Register is used by Police Forces all across England and can help to identify a bike if it gets lost or stolen.

Normally, if you are to order the kit to do it at home yourself, which includes 2 tamper resistant QR codes which can be scanned, these cost £12.99. We are proud to be able to **offer this service for free** and we're hoping to do more of these bike marking events, when the future time allows.

Keep an eye on our social media to keep up to date with when we'll be doing another event.

Monthly Message from Kenilworth Beat Managers...

December saw a busy month for Kenilworth SNT with lots of things being developed which we hope will be put into practice when we are out of lockdown.

The year hasn't quite started how we all had hoped as it has seen us plunged back into a national lockdown, I would like to thank the residents of Kenilworth for continuing to abide by the regulations, in comparison we are getting few breaches. Kenilworth SNT were able to conduct a plain clothes operation in December in relation to shoplifting from our town, this was a successful operation and although there were no arrests on the day some stolen property was recovered from a previous shoplifting and returned to the rightful owners

Investigations continue in relation to outstanding shoplifting offences and we continue to conduct high visibility patrols in the town including entering shops and observing customers' behaviour. It is nearly time for new priorities to be voted on for Kenilworth, is there something in particular you would like to see us focus on alongside are other work? Email the team (Kenilworth.snt@warwickshire.pnn.police.uk) with suggestions that can be put forward for local residents to vote on. Finally, as we find ourselves once again working from home and trying to home school I would like to share the following websites that can offer support and advice. This is a difficult time for us all, please reach out if you are struggling and don't suffer in silence.
